Letter from the Reservation Director

February, 2012

Dear Owasippe Camper,

Welcome to the next century of Owasippe Scout Reservation! Owasippe has been providing quality program for over a century, and we look to continue that great tradition for at least the next 100 years.

Whether you are new to Owasippe with younger Scouts, or a well-established troop, Owasippe has a program that will fit your wants and needs. From our Pathfinder program for first year Scouts, to our High Adventure programs, Owasippe has something for everyone.

As a unit leader, the responsibility of guiding the Scout, either first year or experienced, through the complexities of summer camp, is yours. Camp planning can be a confusing process; therefore we offer this manual to help you. The manual itself has been entirely rewritten from previous years and is organized to make it as user-friendly as possible. The appendix section has all the added materials you need and is designed to be easily removed for copying. In addition, everything you will need to know for camp is included in this one manual, which is specific to your section camp.

As this is the first year of the next century of Owasippe, we have added a number of new and exciting program changes. First, we have reorganized our schedule, and are now offering a comprehensive block-scheduling model for our programs. This will help Scouts better utilize the time they spend at camp, including improved instructional time and more time for troop- or camp-wide activities. Also, after several years of constructive feedback, we have decided to convert to an online sign-up program for merit badges and outposts. The program section of this manual is designed to help you plan out your camp program with your Scouts, and includes schedules, worksheets, and a detailed description of each program offered at camp.

Due to all the major changes to this manual and our program in general, I encourage every adult leader to carefully read the manual. I hope you will find that many questions about camp policies, procedures, and program are clearly answered, but if not, my staff and I are on hand to help you navigate the new changes.

On behalf of the Chicago Area Council and the camp staff, I want to thank you for choosing Owasippe Scout Reservation as your summer camp. We are committed to giving each and every Scout and Leader a mountain-top Scouting experience.

Yours in Scouting,

Christian J. Townsend

Letter from the Wolverine Camp Director

February 2012

Dear Fellow Scouters,

It is with great joy that I welcome all of you to the exciting program offered at Camp Wolverine-Zaxie! I am Matt Dorich and it is my great honor to be the Wolverine Camp Director for the 2012 camping season. This summer marks my 10th season working at Owasippe Scout Reservation. In this time, I have been fortunate enough to work as the Scoutcraft Director, a Commissioner, and as of the last three years, the Assistant Camp Director. This summer is very exciting for me and my staff as we reveal a number of awesome programs.

This summer, as in years past, the Zaxie staff is completely committed to excellence and providing the best possible program to every scout that enters Wolverine. That being said, this is not the same old program that we have offered in years past. During these winter months, the Wolverine Leadership staff has developed a series of new and exciting programs that have never been seen before in our beautiful camp.

As you continue to read through this leaders' manual please take note of several important changes, the largest of which is the new block scheduling system and accompanying online sign-ups. These new systems are designed to increase the amount of hands-on instruction time. The online sign-up will also provide you with the chance to see exactly what programs are being offered throughout the reservation this summer.

I am truly excited to see each of you around Wolverine this summer. I hope that this manual serves to provide you with any assistance that you may need in planning for camp. This is going to be a fantastic summer and I cannot wait until we have the opportunity to continue making history in our perfect little stretch of forest.

Yours in Scouting,

Matthew K. Dorich

The Remarkable Vigil of Chief Owasippe

There are many legends regarding the lands, rivers and lakes of this area, but none more interesting than the legend surrounding the man whose name we have adopted for our camp.

Owasippe was the great chief of the Potawatomie Indians who occupied this land in the early part of the 19th century. Legend compares his great wisdom with that of Solomon's. The village over which the chief presided was on the flat at the foot of a hill near the Bishe-Gain-Dang (beautiful river in the Potawatomie language). The French trappers of the time knew the river as River Blanc. Today, we call it the White River.

The Bishe-Gain-Dang furnished the tribe with fresh water and a safe landing for their canoes. Both fishing and hunting were good and the wooded hills that surrounded them kept out the cold winter winds. They were also comparatively safe from attacks by hostile bands in the area.

Owasippe married late in life and when he became the father of two sons, he was overjoyed. As his sons grew, he taught them to find their way through the forest with the stars and the sun to guide them. He taught them to recognize the animals and the birds, the useful trees and plants, so that they might enjoy the full abundance around them.

Finally, the boys reached the age when they must prove their ability to become braves in the tribe. To earn this right, they had to undertake a great journey. They were required to spend several moons living in strange countries, surviving on what food they could find. If they could pass these tests with honor and courage, the tribe would officially recognize them as braves.

The boys loaded their canoes and set out. They followed the White River into White Lake and into the dangerous waters of Lake Michigan. They followed the shoreline south for many days and then turned north again until they came to a place called "Cheekahgaw," which means "place of wild onions." Today, we know that place as Chicago. To gain protection from hostile bands, the white men had built Fort Dearborn at the mouth of the river.

The sons of Owasippe stopped by Fort Dearborn and expressed friendly greeting in the name of their father. Here at Fort Dearborn, they remained for many days, making friends and trading with the settlers. Eventually, they knew it was time for them to return. Once again they set out on the perilous journey back to their beautiful valley.

When they failed to return after a reasonable length of time, Chief Owasippe became anxious. Every day, he would climb to the top of a high hill and sit for hours beneath a great pine tree, scanning the long marsh and watching for their reappearance on one of the many streams that wound through the tall grass. But they did not appear nor could he learn news of their whereabouts. They might have drowned in the treacherous river or met enemies who tortured and killed them. Whatever happened, the two boys were never seen again.

There he sat day after day. Several weeks passed, but he refused to leave. His fellow tribesman and closest advisors brought him food until finally he refused to eat. Eventually, Owasippe succumbed to uncertainty and disappointment. His people found him dead beneath the great pine. Owasippe's people buried him in a sitting position on the spot where he died and covered his grave with a huge mound, as was worthy of a chief of his status.

In the early 1890's, three boys were following a trail near the mouth of Silver Creek when they noticed something that resembled the end of a canoe protruding from the bank. Hurrying back to town, they notified the village Marshall, who returned with the boys bringing men and shovels.

They unearthed two dugouts, each containing the skeleton of a teenage Indian. They also found the metal parts of a flintlock rifle, bits of decayed blankets, a copper kettle and a silver ornament.

It was apparent from the evidence that these youth were the missing sons of Owasippe. The two boys had apparently pulled their canoes up along the high bank for the night, and the river, constantly cutting into the earth, had caused the bluff to cave in, burying them where they slept. The spot was less than a mile from where Owasippe had sat watching.

When the remains of Owasippe's sons were found, the great pine by which Owasippe sat was still standing. By 1911, when Scouts began camping on these grounds, only a rotten log remained. Now, even that has disappeared. The mounds have been settled beyond recognition and the incredible legend of Chief Owasippe would have been lost except for the marker placed near his grave by the Boy Scouts of the Chicago Area Council.

Many Indian names have sacred meanings, and efforts have been made to learn the correct meaning of the Chief's name, but the Potawatomie language, being strictly oral, makes the matter difficult. Experts believe the name to be derived from the word "Awassisibi," meaning "one who looks beyond the river."

The courage and nobility displayed by the sons of Owasippe on their journey speak to the Scout virtues of Friendliness and Bravery, and their knowledge of the wilderness and ability to survive by their skills echoes the training of today's modern Scout laws.

It is said that the spirits of Chief Owasippe and his two sons still walk the trails of the Reservation and join with the many Scouts who visit us each year. On quiet nights, when all is still, those Spirits have been known to answer when called.

The Owasippe Scout Camps

The Scout camps at Owasippe provide opportunities for Scouts and Leaders to match their outdoor skills and program needs with the section camp that best fulfills their purposes.

Camp Blackhawk

Situated on the shores of Big Blue Lake, camp Blackhawk offers opportunities for lake swimming and boating. Scouts eat in a spacious dining hall amid pine walls and under high-beamed ceilings. Scouts enjoy the fellowship of Scouting at each meal through songs, skits, and special programs.

Camp Wolverine

Beautiful Lake Wolverine is the setting for rugged Camp Wolverine. Troops eat “family-style” in their sites from unique hot packs, delivered three times daily. Scouts launch row boats and canoes from the Lake Wolverine docks and swim in an Olympic-sized pool.

High Adventure and Outposts

Owasippe provides a robust High Adventure and Outpost program for our campers. These programs are spread out across the reservation and include sailing and water sports, COPE and climbing, and horsemanship and astronomy. These programs really bring out the excitement of Owasippe Scout Reservation.

Carlen Webelos Camp

Carlen is found between Lake Wolverine and Sauger Lake just north of Camp Wolverine. As the home of Webelos resident camp, Carlen functions like a dining hall camp, as all meals are eaten under the “Big Top” – a giant circus tent! Among other amenities, Carlen has a swimming pool, easy access to great fishing, and a handicap-accessible campsite.

Reneker Family Camp

Since 1964, Camp Reneker has offered exceptional outdoor programs for Scouting families. Morning programs are offered for children ages 4-18, as well as Adult program, which give campers the opportunity to craft, swim, hike, and have fun at their own pace, led by Reneker’s friendly and energetic staff.

Reneker accommodations include one cabin per family with sleeping arrangements for 4-5 people. Many programs are included in attendance cost, and programs are offered morning, afternoon, and evening. Family campers are also invited to participate in Owasippe High Adventure activities.

The hours of operation are Sunday from 12 p.m. until 9 p.m., from 9 a.m. until 9 p.m. Monday through Friday, and Saturday from 9 a.m. until 5 p.m. There are also a number of services provided to campers located there.

Telephone and Fax

An outside telephone line and fax machine is available. These are for business use and should only be used in case of an emergency.

Internet Service

Wireless internet service is available during open hours.

E. Urner Goodman Scout Museum

Owasippe offers one of the most unique experiences for Scouts and visitors in America. A converted Early American Township Hall with a one-room schoolhouse holds a truly remarkable collection of Scouting history and memorabilia from Owasippe's over 90 years of operation. Please stop by and view the history of Scouting at the E. Urner Goodman Scout Museum, located at the Administration Center complex. Units camping at Owasippe are encouraged to leave a piece of their history by donating a Unit photograph with a roster of campers to our yearly photo album. E. Urner Goodman, the founder of the Order of the Arrow, was the Owasippe Reservation Director and Chicago Council Scout Executive in the 1920s.

Health Lodge

The Owasippe Health Lodge, located behind (just southwest of) the Administration Center, is staffed with personnel who meet BSA and State of Michigan qualifications 24 hours a day. The health lodge personnel are tasked with providing basic emergency medical service as well as monitoring and maintaining the health, safety, and well-being of the campers and staff.

Maintenance Center

The Owasippe maintenance center is located in the Ad Center complex. This facility is the center of the maintenance operation and is run by the Camp Ranger and his staff. This area, however, is off limits to campers. Any maintenance needs you have should be communicated to your Commissioner or Camp Director.

Chaplain Service

Owasippe provides a full-time chaplain. This staff member administers vesper service and the chapel program at camp. In addition, he or she can be called upon to provide spiritual guidance, and counseling services for Scouts and adults. To contact the Chaplain simply talk to your Commissioner or go to the camp office.

Food Preparation Center

The food preparation center, affectionately known as Food Prep, is located in the Ad Center complex near the museum and trading post building. All meals are prepared in this commercial kitchen facility by our food service staff. For more information on food service, consult the food service section of this manual.

Owasippe Trail System

The Owasippe trail system remains the camp's oldest program resource, dating back to Owasippe's origin in 1911. In fact, many of these routes predate Owasippe as Native American passages, pioneer trails, or lumberjack roads. These trails traverse the Reservation for miles, cutting through some of the most scenic and historic locations of Muskegon County and the Manistee National Forest.

The Blue Trail is a circular trail that skirts the boundaries of Owasippe. It has a greater level of difficulty and is suited to older Scouts and experienced hikers. Its inspiring scenery and natural wonder compliment the challenge of this wilderness route that takes hikers through the marl beds, one of the wonders of Owasippe.

The Orange Trail is a circular trail that follows the edge of Lake Wolverine, travelling through camps Carlen, Crown, and Wolverine. While Lake Wolverine is a man-made reservoir, the lake has become an integral part of Owasippe's ecosystem, and many species of plants and animals can be seen by hiking this trail. Common wildlife sightings include turtles, fish, snakes, porcupines, Great Blue Heron, swans, and ducks. For the best chance to see wildlife and great lighting for photography, this trail is best visited early in the morning.

The Red Trail begins at Camp Blackhawk and traverses west past Pickerel Pond, through Paradise Valley and on to Owasippe's Grave. The trail then goes south past Pierre's Bayou to the Administration Center, past the Tar Pits and ends at the south end of Lake Wolverine, at the Orange Trail.

The White Trails connect other trails together or lead to points of interest.

Owasippe's trails are marked with colored fleur-de-lis embossed with the word "Owasippe." A trail map and maps of Owasippe are available from your Commissioner.

Scout and Leaders who hike every trail at Owasippe may wear the "I Hiked 'Em All" patch, available in the Trading Post. Also available for purchase in the Trading Post are segment patches for hiking each individual trail and large OSR trail maps.

Section Camp Services: (Wolverine)

Camp Wolverine, located along Lake Wolverine, operates as one of Owasippe Scout Reservation's section camps. In this camp, the staff is prepared to provide a top-notch program to your Scouts and leaders. In addition to the program described later in this manual, there are a number of important services provided in the section camp.

Commissioner Services

Camp commissioners are a unit's best friend during their time at camp. They are your liaison with the camp, your personal programming expert, and camp guide. He or she will also visit you at least once a day to check on you. Services your Commissioner provides include:

Programming Assistance

Your Commissioner can help you organize your overall camp program. He or she is an expert on what camp has to offer and can assist you with your unit program.

High Adventure and Outpost Additional Sign-up

Additional mid-week high adventure and Outpost sign-ups can be handled by the commissioner or the camp office.

Campsite Supplies

Garbage bags, toilet paper, and paper towels can be obtained through your Commissioner or from the office, by an adult.

Daily Meal Counts

Every day your Commissioner will take your daily food count. This is your chance to add any guest meals, order any special extras, and communicate any special dietary needs to the kitchen.

Equipment Needs

Your commissioner will get you any extra or replacement tents, cots, or other campsite equipment. He or she is committed to filling equipment needs in a timely manner. Any campsite-related maintenance needs should also be communicated through the Commissioner. We ask that you submit your weekly equipment needs upon your first meeting with your Commissioner.

Pathfinder Program

Commissioners administer the Pathfinder program, Owasippe's first-year camper program. As some of the most experienced staff members, commissioners are well-suited to instructing this program. More information on Pathfinder can be found in the program section of this manual.

Leaders' Meetings

During the leaders' meetings, your unit's Commissioner will assist you in organizing your program, including additional information about High Adventure and Outpost programs. This is also an ideal time to address issues like equipment needs and campsite supplies.

There are three important meetings for the unit leaders to attend. The location for each meeting is in parentheses.

Sunday, 7:00 pm (North Lodge)

This meeting will get you ready to go for your week at camp. Your camp director will review the rules and policies of camp, discuss programming, inform you of any administrative information, and get you pumped up for the week to come. It is important to note that OA call-out information is due at this time. See the Order of the Arrow section of this manual for more information.

Wednesday, 1:00 pm (Commissioner's Tent)

This meeting will immediately follow the leaders' cook out. During this meeting, any important information will be shared and you will have a chance to provide some feedback on the week. You will have a chance to sign up for a settlement time, and be able to check up on your Scout's merit badge progress. A member of the food service staff will also be in attendance.

Friday, 4:00 pm (North Lodge)

Come down to the lodge on Friday afternoon to pick up your blue cards, for all of the merit badges that your scouts have earned during the week. This is the time to make sure all blue cards are accounted for and filled out correctly. This is the best way to guarantee that your unit goes home with all the merit badges they have earned.

Senior Patrol Leader Meetings

During the week there are three important senior patrol leader meetings that your camp SPL or ASPL should plan on attending.

Monday, 8:00 am (North Lodge)

There is an SPL meeting on Monday morning beginning at 8am. This is a breakfast meeting, so the meals for both the troop's SPL and ASPL will be transferred to the lodge. During this meeting, the SPLs will meet their commissioner for the week and receive information on how to effectively meet the Baden Powell requirements. This is also an excellent time to address any issues that may have arisen overnight, as the commissioning staff will be present and attentive.

Wednesday, 1:30 pm (Commissioner Tent)

This meeting will last approximately 15 minutes. This is a time for everyone to touch base during the week and to begin to plan our closing campfire. Before this meeting the SPLs should meet with their troops and plan a song or skit to be performed at the closing campfire. All songs and skits are subject to approval from the staff and a performance may be requested if the staff is unfamiliar with the material. The SPLs will also choose a Master of Ceremonies for Friday's fire at this meeting.

Friday, 1:00 pm (Commissioner Tent)

This meeting will consist of two parts. The first portion is to finalize the planning of the campfire, and the second portion of the meeting is to head down to the fire bowl and build the fire for that evening. The fire-building will be done under the supervision of the commissioning staff and all tools will be provided for the building process.

Office Services

The Wolverine office, also known as the North Lodge, provides a variety of helpful services to leaders throughout the week. The lodge will be staffed daily an hour before, during, and after meal times. Office services include the following:

Paperwork

Merit badge cards, parking passes, staff applications and other paperwork can be obtained by an adult or responsible older Scout.

Ice

Ice can be purchased and picked up in the trading post.

Medication Storage

Units who are unable to provide medication storage or need refrigerated storage may keep their medication in the office. See the Health Policies section for more information.

High Adventure and Outpost Additional Sign-ups

Additional High Adventure and outpost sign-ups may be done through the camp office.

Garbage

Garbage is picked up daily during the evening. If there is garbage that you would like removed from your site, please put it in a garbage bag and place it in the assigned place. If you are in sites 1-16, 23, 24, or 25 then take the bag to the hot pack stand outside of your site. If you are in site 21, please bring any garbage to site 23's hot pack stand. If you are staying in sites 17, 18, or 19 please bring any garbage down to the intersection on the service road, also known as the chapel crossing.

Bathroom and Shower Facilities (KYBOs)

Each camp site has access to a bathroom facility. This building, often called a KYBO, has two flush toilets, a urinal, and a sink. In some cases, KYBOs are shared between units. It is the responsibility of each unit using a KYBO to keep it clean. In addition, all KYBOs have a shower. There are also two larger shower facilities available in camp. The shower house is located across from site 15. The pool house is also available to act as a shower house after program closes for the evening.

Cleaning

Each unit is responsible for keeping their KYBO and shower facility clean. Commissioners will coordinate which units will be responsible for cleaning shared KYBOs on which days. Each KYBO and the shower building should be cleaned daily. Commissioners will provide instructions and expectations on cleaning. The shower house will be cleaned by the staff.

Youth and Adults

Youth and Adults must not use bathroom and shower facilities at the same time. The same holds true for males and females. Each KYBO and the shower facility have a sign signifying its use at any given time. In addition, please do a verbal check prior to using the facility.

Maintenance Needs

Any maintenance needs should be reported immediately to the Commissioner or Camp Director.

Be Courteous

Remember that a Scout is Courteous. Please make sure you are doing your part to keep the KYBO and shower facility clean for your fellow campers. Horseplay is never allowed.

Pizza Night (Friday)

Looking for a way to reward your Scouts for an awesome week? This is the chance to gather your troop for one last party before heading back home for the year. Owasippe has partnered with the local Pizza Hut to provide you the opportunity to have pizza delivered to the camp. Check your troop mailbox for order forms. All orders must be turned in and paid for by Thursday lunch. Pizzas need to be picked up after the closing campfire from the lodge. The pizzas will arrive during the camp fire, so they will still be hot. Pizza night does not replace Friday dinner, which will still be delivered at the normal time.

Arrival and Departure

Check-in Times

Troops journeying to Owasippe by private vehicles should plan to arrive at Noon or shortly after, when Ad Center check-in takes place. Troops should plan to arrive between noon and 3 p.m. Troops arriving to Owasippe after 3 p.m., may not have enough time on Sunday to complete sub-camp specific check-in procedures such as swim checks, meal orientations, etc. Owasippe is approximately 210 miles from Chicago, and the trip takes about 4.5 hours. Owasippe is on Eastern Daylight Time. For directions, see the map in the appendix.

Ad Center Check-In Procedures

Upon your arrival at Owasippe, go directly to the Ad Center Complex and park in the lot. Then proceed to the Snack Bar area for Check-in.

Station One: Business Staff

This will be your first stop. You will need to have all your pre-camp paperwork handy, which includes the following:

Station Two: Food Service

After completing the business staff step, proceed to the food service table. Here, you will be able to discuss any food issues or concerns with our food service staff, as well as provide the meal counts for Sunday and Monday.

Station Three: Adult Programs and the Order of the Arrow

This is an optional station set aside for units that want to sign up for adult programs or OA programs. These include all of the adult leader trainings such as youth protection training and introduction to outdoor leader skills, as well as the OA induction and Brotherhood ceremonies. These programs are described in Program section of this manual.

Station Four: High Adventure

This stop is highly important for any troop that has signed up for High Adventure and Outpost programs at camp. The first step will be to visit the High Adventure director who will review your online sign-up choices and let you know what your program selections were. You will then have the opportunity to

change your selections and sign up for any available spots with the different program area directors seated in the High Adventure section.

As you go through the process, you will be issued the necessary receipts for each program time. The purpose of these receipts is described in the High Adventure and Outpost Programs portion of the Programs section of this manual.

Section Camp Check-In Procedures: Camp Wolverine

After completing the Ad Center check-in process you will need to head to your section camp. Follow these steps for section camp check-in.

Main Gate

After visiting the Ad Center continue into Wolverine. While on the road in, you will be met by a member of the staff. He or she will direct you to the South Lodge. Make sure you have your Ad Center check-in card accessible. You will need this to continue the check-in process.

South Lodge

This is about a five minute meeting, during which the Commissioner will be handing out and collecting several paperwork items, including parking passes. A troop guide will also be assigned to the unit at this time. He or she will assist the unit throughout the remainder of the check-in process. You will need to turn in your Ad Center check-in card at this point in time.

Campsite

Once you arrive at your campsite, a guide will be present to assist you in the check-in process. At this time, your Scouts may unpack their gear and prepare for medical rechecks and swim checks. Please notify your guide of any equipment issues. After your scouts are changed and your gear is stowed, proceed to the North Lodge for Orientation.

North Lodge

When you arrive at the Lodge, you will need **two** copies of the unit roster, and your medical forms. A staff member will then inform the unit on the following topics:

- Parking passes, designated parking lots, speed limits
- Medication policy
- Wristbands for every camper
- Daily visitations
- Fireguard charts
- Meal counts, and 24-hour food requisitions
- Mailboxes
- Camper Check-in and Check-out
- Site equipment
- Early camper release policy
- Leader meetings/SPL meetings

- Pathfinder program
- Office radio for emergencies

Medical Recheck

After the orientations, you will begin the medical recheck process. Every camper must go through a medical recheck. Make sure all Scouts and Leaders come to the North lodge for this important step. Consult the medical policies and procedures section of this manual for more information.

Swim check

Following the medical recheck, proceed to the pool for swim checks. Scouts and Leaders should be prepared to get in the water. Basic aquatics rules will be discussed as well as the administration of the Swim Test. A completed health form and medical recheck is required to participate in a Swim Test.

Wrap Up

Upon completion of swim checks, you may return to your campsite and continue setting up until dinner. Consult the daily schedule for dinner and Leaders' meeting information. If you have any questions or need help, please do not hesitate to consult your site guide.

Early Arrivals: Camp Wolverine

There is a \$75 Early Arrival Fee for arriving on Saturday.

Troops should plan to arrive between 1 p.m. and 5 p.m. at their section camp with a separate Saturday Roster listing everyone who will be in camp. The Troop will then check in at the section camp office.

Scouts must remain in the campsite until Sunday check-in unless accompanied by an adult leader. Equipment shall not be removed from another campsite without the Camp Director's approval. The cost of any damages caused will be shared by all early arriving troops in that section camp.

Unit Leaders are responsible for their Scouts as well as providing their Troop with meals until Sunday dinner. There will be only minimal staff support.

Troop Settlements

At the end of a unit's stay at camp, the unit leaders will need to complete a financial settlement in the section camp with the reservation Business Manager. Unit settlements will occur on Friday morning (Camp Blackhawk) and Friday afternoon (Camp Wolverine). Units are asked to sign up for a time slot with their Commissioners early in the week.

Financial settlement will include payments for additional scouts (including late fees if they apply) and leaders, outpost fees, guest meals, and any other charges incurred for camp services during the week. Leaders should bring any receipts or credits they have to the settlement. This can include any camp cash certificates, campership letters, discount certificates, and any other payment correspondence. Units will be able to reserve their campsite for next year at this time. Units who have an outstanding balance will not be allowed to reserve a site until that balance is paid.

Section Camp Check-Out Procedures: Camp Wolverine

Pre Check-Out

This process normally begins at 7am on Saturday. During the first part of check-out, the site staff member will inspect any equipment for damages, including camp tents and cots. Your site guide will direct you to take down or move any camp equipment.

Check-Out

After breakfast, your commissioner or a designated staff member will complete the check-out process with you. This will include a site cleanliness check, so make sure that any and all trash is picked up prior to this time. Finally, he or she will collect any paperwork, including your leader evaluation. When this portion is complete you will be free to go.

Stay-over Unit Process: Camp Wolverine

If your unit will be staying for two weeks, you will need to provide a weekend-specific roster to be turned in to your Commissioner Saturday morning before noon. In addition, there are special instructions for stay-over units.

Meals

Your commissioner will collect your weekend meal counts on Thursday, including a lunch and dinner on Saturday and a brunch on Sunday. Meals can be collected in hot packs from the North Lodge.

Campsite and Equipment

If you will not be moving campsites, you do not need to take down equipment. If you are moving sites, please follow that part of the check-out procedures. Some spare equipment in your campsite may have to be moved during Saturday morning. Your help in this is appreciated. Please do not take equipment set in other sites as they are there for units who will be arriving on Sunday.

Supervision

Camp will be minimally staffed during the weekend and you will need to provide adequate supervision for your Scouts. Scouts will not be allowed to wander around the camp without adult supervision. The rules of camp are of course still in effect.

Emergency

In case of emergency, the camp office will be open and the camp radio will be available. Instructions on what to do and who to contact in an emergency will be clearly displayed in the office. There will be section camp and reservation staff available if needed, including the health officers.

Camp Policies (Listed Alphabetically)

Alcohol - Drugs - Smoking

- The consumption, possession and/or use of alcohol, illegal drugs, or controlled substances while participating in the Scouting program and/or on Scouting Property is not permitted.
- Violations of all local, state and federal laws will be reported.
- Violators will be asked to leave Owasippe property.
- Adult Leaders are asked to refrain from smoking when in proximity of Scouts.

Background Check

Michigan law requires that each adult twenty one (21) years of age or older undergo a check against their home state's child abuse and neglect registry. The camp must have proof that this check has been completed and that they are not found to have been deemed a perpetrator of child abuse or neglect. Forms for Illinois, Indiana, Michigan, and Ohio as well as instructions can be found on the council website. Instructions and a copy of the Illinois form can be found in the appendix of this manual. Contact the camping department for adults who reside in other states.

Bicycles in Camp

Scouts and leaders are not encouraged to use bicycles in camp. If bicycles are used, a helmet must be worn at all times. Bicycles are not permitted on hiking trails and are limited to camp roads and two tracks. Violations will result in a loss of bicycling privileges.

Boats in Camp

Privately-owned boats are NOT permitted in any Section Camp.

Buddy System

- The buddy system is in effect all over Owasippe.
- Scouts must travel with a buddy wherever they go.
- Leaders should devise a system of check-out/check-in so that they can account for Scouts at all times.
- Campers should hike on marked Owasippe trails.
- Hitchhiking or hiking along public roads is not allowed.

Camper Security

Wristbands

Each registered camper (youth and adult) is issued a wristband upon arrival at Owasippe. This wristband signifies that the wearer belongs in camp. Replacement wristbands can be collected from the camp office. Visitors are issued a special wristband upon check-in at the Ad Center.

Staff Name Tags

Camp staff and camp volunteers are issued an Owasippe name tag that is to be worn at all times while on the property. Food service staff has a special uniform that identifies them.

Anyone not showing a proper identification may be stopped and questioned by a staff member or camper. Visitors should be directed and if necessary, escorted to the Ad Center. Trespassers will be escorted off the property.

Camper Discipline (Michigan State Law- Rule 113)

Rule 113 of “Rules for Licensing Children’s Camps in the State of Michigan” reads:

“A camper shall not be deprived of food or sleep, be placed alone without staff supervision, observation, and interaction, or be subjected to ridicule, threat, corporal punishment, excessive physical exercise, or excessive restraints, either by staff Leaders or by another camper.”

It is expected that all Scouts and Leaders camping at Owasippe Scout Reservation will live up to the principles and values of the Scout Oath and Law. So that all unit leadership and their Scouts may more clearly understand their rights and what course of action will be taken if their rights are violated, the following information should be shared before arriving at camp:

1. The Scout Oath and Law are the only rules in camp. The unit leadership is responsible for enforcing these rules and disciplining those Scouts that break them.
2. In the case of inter-troop conflicts or problems, the unit leadership of the individual Scouts involved is responsible for disciplining each of the individual Scouts.
3. The camp administration (beginning with the Camp Director of any section camp involved) is available and prepared to assist in establishing communication in the event of inter-troop problems.
4. If the camp administration believes further disciplinary action is required of the unit leadership, they will request it. If the requested disciplinary action is not taken, the district executive or Scout executive will be contacted.
5. The camp administration encourages unit leadership to send any Scout home immediately that steals, vandalizes, or intentionally places another Scout in danger of harm. The administration reserves the right to take that action themselves if necessary, including sending the entire troop home within 24 hours.
6. Bullying, Hazing, “midnight raids”, tent ditching, or other such activities are not allowed at any time at Owasippe Scout Reservation. Such activities place Scouts at risk of injury and may cause larger issues as a result of seemingly small rituals getting out of control.

7. A curfew of 10:00 p.m. will be strictly enforced for all Scouts. Scouts are required to be in their campsites by 10:00 p.m. Any Scout who must leave a campsite after 10:00 p.m. must be accompanied by an adult unit leader or camp staff member. Always maintain youth protection standards. Refer to #8 for exceptions.
8. Scouts may attend a scheduled camp activity past 10:00 p.m. if they have their leader's permission and they use the buddy system. Activities could include star hikes, outposts, Order of the Arrow ceremonies, and other camp-wide activities.

Check-in/Check-out Policy

All campers must properly check in and check out of camp. A log is maintained in the Section camp office at all times and is always available. Youth protection standards must be maintained during trips off camp property. Visitors should consult the visitor entry of this policies section.

Child Abuse (Michigan State Law—Rule 115)

It is mandatory that any staff or volunteer report to his Director any actual or suspected case of child abuse or neglect immediately. The Camp Director shall immediately contact the Reservation Director, who, if after the investigation finds abuse or neglect, shall within 24 hours phone an oral report to the Department of Social Services and file a written report within 72 hours. This is the responsibility of all staff members and Leaders.

Early Release of Scout

Scouts who need to leave camp prior to normal departure time must have a filled out early release form signed by a parent or guardian. This form can be found in the appendix.

Firearms, Ammunition, Fireworks, Bows & Arrows

- No firearms, ammunition, fireworks or bow and arrow of any kind may be kept in the possession of any camper or Unit Leader.
- Camp insurance does not allow the use of personal weapons (including paintball guns) or ammunition on Council property. There are no exceptions to this rule.

Fire, Liquids, & Propane Fuels

- Fire may be built only at designated areas and under proper supervision.
- Liquid or propane fuels should be used only under adult supervision.
- Replacement propane cylinders and cans of liquid fuel MUST be stored under lock and key at your campsite or in the camp flammable liquids storage box.
- National policy prohibits the use of open flames in tents, which includes mosquito coils, catalytic heaters, gas lanterns, stoves, candles, and smoking materials.
- All tents (camp owned or private) must be stenciled with or display a sign proclaiming "NO FLAMES IN TENTS"

- Fires built in camp must not exceed 4 feet in flame height. Special permission can be given for a larger fire from the Camp Director. The camp management reserves the right to demand a fire be reduced or put out if it is, in their opinion, a hazard.
- The troop is required to maintain a fireguard and keep up-to-date a fire guard chart prominently posted in the campsite.

Float Plans

Campers who are interested in checking out canoes or rowboats to be used outside of the boating areas on Big Blue Lake or Lake Wolverine must submit a float plan. For activities on Lake Wolverine, the float plan must be submitted to the Wolverine Aquatics Director. For activities on Big Blue Lake, the float plan must be submitted to the Blackhawk Aquatics Director. Float plans must be submitted 24 hours prior to trip departure. All standards, including qualified supervision must be adhered to. The Aquatics Director has the right to deny a float plan.

Harassment Prevention and Bullying Policy

Policy

It is the policy of the Chicago Area Council to maintain a Scouting environment based on respect and courtesy. This policy is in effect at all times at Owasippe Scout Reservation.

Chicago Area Council does not tolerate harassment of any kind of our youth members, adult volunteers, employees, members of the public, or suppliers. Any form of harassment that violates federal, state or local law is a violation of this policy and will be treated as a disciplinary matter. This includes but is not limited to harassment related to an individual's race, religion, creed, color, sex, gender, sexual orientation, national origin, ancestry, citizenship status, uniformed service member status, marital status, pregnancy, age, medical condition, physical or emotional disability, or status with regard to public assistance.

For these purposes, the term "harassment and bullying" includes slurs and any other offensive remarks, jokes, and other verbal, graphic, or physical conduct that denigrates or shows hostility or aversion to an individual because of any of these characteristics, and that has the purpose or effect of creating an intimidating, hostile or offensive environment, or of unreasonably interfering with an individual's Scouting participation. One type of harassment prohibited by this policy is sexual harassment, which includes unwelcome advances, requests for sexual favors, or other offensive verbal, visual, or physical conduct.

Complaint Procedure

If you believe you have been harassed, or you become aware of an incident of the harassment of someone else which affects Scouting in any way, you are responsible for reporting the incident immediately to the Camp Director, Reservation Director, or Scout Executive. An accusation of harassment will be investigated quickly and firmly, and in connection with legal counsel or other investigator if appropriate. A substantiated violation of this policy will result in disciplinary action up to

and including withdrawal of BSA membership. Reporting harassment will not result in any form of retaliation.

As Scouting volunteers, we know the Scout Oath and Law should be the only rules we need to live by. Your help in ensuring a positive Scouting environment for everyone is appreciated.

Swim Checks

Prior to participating in any aquatic activity, each camper must complete a swim test and be issued a buddy tag. For details, please consult the Swim Classification Procedures section of this manual.

Totin' Chip

- The Totin' Chip is a license for Scouts to carry an ax or knife. All Scouts must have a Totin' Chip card before they may carry an ax or knife at Owasippe.
- The Totin' Chip and the right to tote may be taken away if the Woodsman's Code is violated.

Two-Deep Leadership

- Two Leaders are required with each Troop at Owasippe.
- Troops with more than 20 boys will need one additional Leader for each multiple of 10 boys after 20.
- The camp Scoutmaster must be at least 21 years of age.
- The second Leader must be 18 years of age.
- All people 18 years of age and older are considered adults in camp.

- Leaders and Scouts may not stay in the same tent unless it is a parent/child situation.
- Leaders are responsible for the supervision of their troop at all times.

Youth Protection Policy

The youth protection policy of the Boy Scouts of America as described in the Guide to Safe Scouting is in effect at Owasippe Scout Reservation. All Campers and Staff are required to adhere to these policies and help enforce them. Violators of the youth protection policy will be asked to leave and the Scout Executive of the unit's council will be informed of the violation.

Youth Protection Training

It is the policy of the Chicago Area Council that all adults who serve in any capacity with the Unit while at camp will be trained in the Youth Protection policies and procedures of the BSA. All Leaders eighteen years of age and older must show a signed training card, valid certificate of completion, or a signed copy of a BSA training report upon arrival at camp. Leaders are strongly encouraged to complete such training in their Councils or online, but the training is offered at the Ad Center Snack Bar. Consult the "Programs for Adults" section for more information.

- Repeated or flagrant violation of these policies will result in denial of driving privileges or expulsion from camp.

Visitor Policy

Parents and other visitors are welcome at Owasippe. A visitor is defined as someone who stays for less than 36 hours at camp. Visitors who stay beyond that point are considered campers or volunteer staff and must comply with any and all standards that would apply.

All visitors must check in at the Ad Center. They will need to fill out the visitors' log, which includes name and contact information as well as vehicle information. After this is complete, a wristband will be issued. Visitors who arrive after hours need to check in at the health lodge.

Visitors must get unit leader approval to stay in a campsite and may not be unsupervised with youth at any time they are at camp. Visitors may make arrangements with the Ad Center to stay in a cabin if needed. Hotel rooms are also commonly available in town.

Annual Health and Medical Record Policy

Policy on Use of the Annual Health and Medical Record

In order to provide better care for its members and to assist them in better understanding their own physical capabilities, the Boy Scouts of America recommends that everyone who participates in a Scouting event have an annual medical evaluation by a certified and licensed health-care provider—a physician (MD or DO), nurse practitioner, or physician assistant. Providing your medical information on this four-part form will help ensure you meet the minimum standards for participation in various activities. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and B are to be completed at least annually by participants in all Scouting events. This health history, parental/guardian informed consent and hold harmless/release agreement, and talent release statement is to be completed by the participant and parents/guardians.

Part C is the physical exam that is required for participants in any event that exceeds 72 consecutive hours, for all high-adventure base participants, or when the nature of the activity is strenuous and demanding. Service projects or work weekends may fit this description. Part C is to be completed and signed by a certified and licensed health-care provider—physician (MD or DO), nurse practitioner, or physician assistant. It is important to note that the height/weight limits must be strictly adhered to when the event will take the unit more than 30 minutes away from an emergency vehicle, accessible roadway, or when the program requires it, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

The annual health and medical record is a national BSA form. A copy of this form is in the appendix and can be downloaded from the council website: www.chicagobsa.org.

Medical Record Retention Policy

The State of Michigan requires that the camp retain a copy of the Annual Health and Medical Record for up to three years after attending camp. As such, campers should plan on submitting a **copy** of their health form during medical rechecks. Owasippe will keep the copy submitted at check-in. Medical forms will be kept in locked storage.

Medical Recheck Policy

The State of Michigan requires that every camper undergo a medical screening within the first 24 hours of arriving at camp. This is part of the unit check-in process in the section camp. Campers who arrive late must report to the camp office upon arrival at camp for their medical screening.

Medication Policy

The administration of prescription medication is the responsibility of the individual prescribed the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but the BSA does not mandate or necessarily encourage the leader to do so.

Medication Record

The unit is required to turn in a list of all medication in camp. This includes prescription and over-the-counter medication. Use the medication form located in the appendix.

Medication Storage

Medication should be stored in a secure place. Each unit is required to provide secure storage for all medication. The camp office is available if the unit does not have adequate storage, or requires refrigerated storage. Camp staff will not administer medication to Scouts or leaders.

Swim Classification Procedures

The swim classification of individuals participating in a Boy Scouts of America activity is a key element in both Safe Swim Defense and Safety Afloat. The swim classification tests should be renewed annually, preferably at the beginning of each outdoor season. Traditionally, the swim classification test has only been conducted at a long-term summer camp. However, there is no requirement that this be the only place the test is conducted. All persons participating in BSA aquatics are classified according to their swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. The Swimmer's Test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth, and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer.

Swimmer's Test:

Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breast stroke, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating for about one minute.

Beginners Test:

Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Administration of Swim Classification Test

Option A (at unit level with council-approved aquatics test administrators)

The swim classification test done at a unit level should be conducted by one of the following council approved test administrators: Aquatics Instructor: BSA, Aquatics Supervisor: BSA, Lifeguard: BSA, Red Cross Lifeguard, Red Cross Lifeguard Instructor, or Red Cross Water Safety Instructor. When the unit goes to a summer camp, each individual will be issued a buddy tag under the direction of the Camp Aquatics Director for use at camp. The Chicago Area Council requires that swim classification tests be conducted within the current calendar year prior to the unit's arrival at camp. The signed form must be presented upon arrival in camp. A copy of this form can be found in the Appendix.

Option B (at camp)

The swim classification test is done during the first day of camp.

Special Note

When swim tests are conducted away from or at camp, the Aquatics Director shall reserve the authority to review or retest individuals or entire troops to ensure that standards have been maintained.

Emergency Procedures

All campers must be completely familiar with Owasippe Emergency Procedures.

- Copies of the Emergency Procedures are posted in each camp office, program area, and campsite bulletin board.
- In the event that the section camp alarm (bell or horn) is sounded, ALL CAMPERS (adults and youth) must immediately report to the designated camp area. Your check in guide will identify the alarm in your section camp.
- An emergency drill will be conducted within 24 hours of each Troop's arrival at Owasippe. The alarm will sound and all campers will report to the designated area as if there were an actual emergency.
- Please note that there may be more updated versions of the emergency procedures at camp. Please consult your camp bulletin board and Commissioner for the most updated procedures.

Accident or Illness

- Administer first aid within your capabilities
- Notify the section camp office before going to the Health Lodge. Let the staff know why you are going, and have them call the Health Lodge and notify them that you are coming in.
- If accident or illness is severe, send runners to notify the camp office. Do not move the victim. Give the location and nature of the problem to the staff, and they will call for Health and Safety personnel to respond to you.
- In the event that a camper must be transported to a medical facility, an adult leader MUST accompany the camper to the hospital. Youth protection standards must be maintained.

Evacuation

- Section camp alarm is sounded. All persons should report to the designated area immediately.
- Staff will be assigned to assist and direct campers to safety.
- If there is time, leaders should bring any prescription medications that may be stored in their site with them when evacuating.

Fire in Camp

- If you discover a wild fire or structure fire, report it to the camp office or nearest staff member immediately. DO NOT attempt to fight the fire!
- Section camp alarm will be sounded. All persons should report to the designated area immediately. In the event that the designated area cannot be reached without crossing the fire zone, go to the nearest program area and locate a staff member to assist you.
- Once at the designated area, adult leaders should account for all Troop members and report any missing campers to the Camp Director.

- Adult leaders should stand ready to assist staff in dropping tents and removing any fuel cylinders from their camp sites, if requested to do so.

Lost Person

- If you must report a lost person, notify the section camp office or nearest staff member immediately. Be prepared to give pertinent information such as name, site, troop, last known location, and any possible destination.
- A preliminary search will be conducted by staff members.
- If the preliminary search does not locate the subject, the section camp alarm will be sounded. All campers should report to the designated area for a head count.
- If the missing person does not report for head count, a full search will be implemented.

Lost Swimmer

- If you must report a lost swimmer, notify the Aquatic Area Director immediately. Give the missing swimmer's name, unit, and site number, if known.
- Aquatic and Reservation Staff will begin search procedures.
- Section camp alarm will be sounded. All campers should report to the designated area for a head count.

Power Outages

- In the event that power is off, causing the pay telephone or inter-camp telephones to be inoperable, the Camp Director will assign two drivers to be on standby to transport any sick Scout in a safe manner to the Health Lodge or to transport any messages if the need arises.
- The Camp Director will assign one driver to report the power outage to the Ad Center.
- Ad Center will send a messenger to all camps with emergency information.
- Back-up power sources will be initiated and an emergency telephone will be used.

Severe Weather

- All aquatic areas and the horse ranch will close when thunder or lightning occurs, no matter how distant.
- Troops should store all loose items and tighten tie-downs for possible high winds.
- Move away from streams (flooding) and lone trees (lightning hazard).
- As severe weather approaches, the section camp alarm may be sounded. If this occurs, report to the designated area immediately. Troops may be instructed to move to places of safety by staff members.
- If a warning is issued, outdoor emergency sirens will be activated. Take immediate shelter. Move into the interior portion of a solid structure if possible. If caught out in the open, lay down flat and cover your head.

Food Service

Owasippe provides a quality food service for all campers and staff throughout the summer. The food service staff are committed to providing meals that both meet the dietary needs of active Scouts and a flavor that they deserve. Food is served in a variety of venues across the reservation including the dining hall at Blackhawk, in campsites at Wolverine, and at the Food Prep building at Ad Center.

Daily Food Counts and Guest Meals

In an attempt to make sure units are getting the proper amount of meals, a food count will be taken daily by the Commissioner. This food count sheet accounts for any dietary requests, food transfers, special requests, and guest meals. Guest meals are counted as meals that exceed the amount of paid participants. All guest meals will be charged as part of the unit settlement at the end of the week.

Dietary Requests

The food service staff is committed to accommodating campers with special dietary needs. As part of the main menu, we provide a vegetarian option for each meal. In addition, provisions for gluten free meals, and other allergy needs are available. It is important that this information is communicated to the camp prior to or upon arrival at camp. Pre-Camp planner form has a section set aside for food needs. Please include the name of the camper and as many details about the dietary need as possible.

Feedback

Feedback is always welcome as it helps us improve our overall service. During the mid-week leaders meeting, a member of our food service staff will be in attendance to address any issues and answer any questions. Meal suggestions are always welcomed and strongly considered for the next year. If there is an immediate issue with food, please contact your Commissioner or camp director quickly and they will help resolve any problems.

Weekly Meals

A normal week of camp consists of seventeen (17) meals beginning with dinner on Sunday and ending with breakfast on Saturday. Stay-over units receive an additional three (3) meals. This includes a lunch and dinner on Saturday, and a brunch on Sunday.

Menu

The camp menu is designed and approved by a licensed dietitian. It is designed to meet the dietary requirements of an active Scout and Leader. The menu is posted in conspicuous locations throughout camp including the campsite bulletin board. To provide some variety for our two week campers and

staff, the menu is on a two week rotation. Calorie data is provided for each food item and for each meal. Detailed information on ingredients can be requested from the food service staff. Menu items can change over the course of the summer. All changes are approved by the reservation director.

Milk, Cereal, Bread, Peanut Butter, and Jelly

Although the food provided for each meal should be adequate for active Scouts and leaders at camp, it is necessary to provide some supplemental food for those who need it. To that end, we provide milk and cereal at each and every breakfast, and bread, peanut butter, and jelly at each lunch and dinner. In addition, we feel that milk is an important part of an active Scout's diet and will be available at every meal.

Blackhawk campers will have a cereal station set up at breakfast and a peanut butter and jelly sandwich station set up at lunch and dinner in the dining hall.

Wolverine campers can request milk, cereal, peanut butter, jelly, and bread when they do their daily food count sheet, and it will be delivered the next day with their meal.

Campsite Dining

Meals in Wolverine are delivered three times a day to your campsite. This style of eating allows for you to truly implement the patrol method. Hot food is delivered in Heater stacks and cold food is delivered in a cooler. Portions are measured according to the number of meals ordered through the commissioner. It is important that everyone is taking a proper serving size in order to ensure that everyone has enough food. Units should plan on bringing their own plates and utensils to eat the meals, as the camp does not provide them.

Delivery

Meals will be delivered around 8am, 12:30pm, and 6pm daily. Exact time will vary depending on where your campsite is along the delivery route. Each unit is encouraged to assign two Scouts to be responsible for meeting the food truck and bringing the food to the camp site. The Scouts who meet the truck should double check meal counts and collect any extras like bread, milk, and the like. This step is not required, but will help greatly if there are any food errors, as it will allow the kitchen to respond in a timely manner.

Clean-up

After the meal is finished, the troop should be prepared to wash the dishes and utensils used in the meals. Only wash those items which belong to the troop. Items from the food truck such as the heater stack, and the food pans need not be washed. When washing your dishes, be sure to use the three pot method. Sanitizer tabs are available to your unit and will be passed out during the Sunday check-in. Your commissioner can be a resource on how to clean dishes if needed. Make sure all food garbage is properly bagged. Consult the garbage entry in the camp services section for details.

Wednesday Dinner Service (Steak Night)

On Wednesday, units will cook their steaks in their campsite. This is a great opportunity for Scouts to practice some cooking skills and for Scouts taking cooking merit badge to prepare one of their required meals. Food is ordered through your Commissioner. Raw steaks arrive at the site about an hour before the food normally arrives at the sites. Sides will be delivered at the normal time. Cooking grates should be brought with the unit to camp in order to cook the steaks.

Planning Your Troop Program

Introduction

For a century, Owasisippe Scout Reservation has proudly presented Scouts and Scouters with an exciting summer camp experience, and our 101st year is no different. One of the most wonderful parts of Owasisippe is all the fun and adventure provided to Scouts and Scouters from all over the country. Yet, while fun and adventure is key, the process of planning your trip is a very important step towards maximizing the enjoyment of your stay. As such, this section has been prepared to help leaders, parents, and Scouts plan the best summer camp experience possible.

This year there have been many changes to our program of which we are proud to boast. And while change may be hard to accept, we guarantee that the new programs, services, and scheduling will not only streamline your experience over time, but will also make your stay at camp much more rewarding for your Scouts.

To ensure a well-rounded summer camp experience, your camp program should allow time for all your Scouts to participate in these three activity areas:

1. **Personal Advancement.** This can involve rank advancement offered through the Pathfinder (first-year camper) program and the many merit badge programs offered at Owasisippe.
2. **Troop Time.** Owasisippe offers plenty of opportunities for your troop to participate in troop programs, including outposts such as canoeing, tubing, or horseback riding. Additionally, troop swims, hikes, and camp-wide games are wonderful for your Scouts and use the patrol method.
3. **Personal Interests.** This could involve attending open programming in the afternoon and evenings including fishing, open boating, rifle shooting, or visiting areas of camp that Scouts may be interested in, such as Paradise Valley and the Quaking Bogs.

Merit Badges and Outposts

Merit badge programs at Owasisippe Scout Reservation are an excellent opportunity for your Scouts to have a “hands-on” experience. The merit badge programs at Owasisippe are aimed to provide fun with a purpose and practical applications.

When selecting merit badges, you and your Scouts should be mindful to choose badges that are appropriate to their abilities. This may be related to age, experience, and rank. Accordingly, this guide will provide a *suggestion* on the skill level of various merit badge programs. They will be labeled as ***beginner***, ***intermediate***, and ***advanced***.

Beginner. Beginner badges are aimed towards first and second year Scouts. These badges help a Scout learn and apply basic skills from each of the program areas. In many cases, they set a foundation for many merit badges a Scout will complete later in his Scouting career.

Intermediate. Intermediate badges may appeal to second- and third-year Scouts. They are more challenging than beginner badges. These badges are generally aimed towards First-class Scouts.

Advanced. Advanced badges are recommended for Scouts in their fourth or later years at camp. These programs are the most challenging and are designed to keep an older Scout engaged and interested.

Block Schedule

This summer, the merit badge programs at Owasippe Scout Reservation will be renovated to accommodate a block schedule. These changes are aimed at giving Scouts more time in class sessions and to create a uniform schedule across the reservation.

How it works

Each program will be based on a 90 minute block of time, and most classes will meet twice over the course of the week for two blocks each session. For example, Swimming MB 1 meets on Monday from 9 a.m. until 12 noon and Wednesday from 9 a.m. until 12 noon. Some advanced programs will meet for two blocks each day of the week (except Friday), and other less-challenging programs will meet twice throughout the course of the week, for only block each session. Most outpost programs last for one 90 minute block. This will allow most Scouts to take two morning merit badge programs and two afternoon merit badge programs. Alternately, a Scout could have two morning merit badge programs, an afternoon merit badge program on Monday and Wednesday, and leave some space on Tuesday and Thursday for a horse trail ride, open rifle, open swimming, or a troop tubing trip.

The Program Entry

Each program is described in a program entry later in this section of the manual. Let's continue to use Swimming merit badge as an example. To the right, you will see the Swimming Merit Badge entry as it appears later in this manual. As you can see there are 6 parts to this

entry, and they are numbered in red for reference. Box 1 includes the name of the program, and Box 2 lists the difficulty level. Box 3 is a listing of all the class names included in this program, as well as the times that they meet. Box 4 is a description of the program, and Box 5 contains any prerequisites,

¹Swimming Merit Badge

²Intermediate

³**Swimming MB 1(BH – MW 1&2)**
Monday and Wednesday 9am – 12pm
Swimming MB 2(BH – TR 1&2)
Tuesday and Thursday 9am-12pm

⁴While this merit badge is recommended for Scouts age 12 and older, younger candidates with an extensive swimming background may be able to meet all or most of the requirements with little or no formal instruction. Most Scouts, however, will need instruction on proper technique prior to completing the requirements.

⁵**Prerequisites:** Swimmer Classification
Additional Cost: None
Location: Aquatics

⁶**Notes:** Please make sure that every Scout taking Swimming MB **brings** a pair of jeans, a long-sleeved button-up shirt, belt with a collar, socks, and a pair of lace-up shoes (not sandals!) that can get wet. This is for Requirement #4, clothes inflation, of the merit badge. Scouts **must** be classified as a swimmer to work on this merit badge.

additional cost, and the location where the program meets. Lastly, Box 6 are the notes, which contain any special information regarding the program.

The Program Class Code

You will notice that each class in the program entry has a code in parentheses. The code is there for a few reasons but it is fairly straight forward. Let's look at a class entry.

Swimming MB 1 (BH – MW 1&2)

The class name is Swimming MB 1. In this example, it is the first of two swimming merit badge classes offered in camp. That class name is all that is needed to differentiate the two different swimming classes. The code helps refine it and provide more information. The code reads: (BH – MW 1&2). The BH before the dash signifies which camp it is in; BH signifies Blackhawk, while WL is Wolverine, and HA is High Adventure. The information after the dash is a day and time code. In this example, the class meets Monday and Wednesday, blocks 1 and 2. So, this class would meet Monday and Wednesday morning from 9 a.m. until 12 noon. See below for a list of all the codes and what they mean.

Block 1: 9:00am – 10:30am

Block 2: 10:30am – 12:00pm

Block 3: 2:00pm – 3:30pm

Block 4: 3:30pm – 5:00pm

Block 5: 7:00pm – 8:00pm

Block 6: 8:00pm – 9:00pm

Planning Process

In order to ensure that you maximize your time at camp, you should set aside ample time to prepare. Of course, the first step is to figure out what you and your Scouts would like to get out of the experience. To help, please use this manual to view descriptions, information, and schedules of the countless programs offered at camp.

This year, one of the useful tools at your disposal is an online registration system. This program will allow you to pre-schedule your Scouts in merit badge classes and to sign up for High Adventure programs. Accordingly, to help aid your planning, we have provided a worksheet for your Scouts to use in organizing their trip. This worksheet can be found in the appendix and is available for download on the Chicago Area Council website.

Important Steps

1. Explain to your Scouts what Owasippe Scout Reservation has to offer. Ask them to identify merit badges and programs they would like to participate in. This guide is a great place to start.

2. At a troop meeting, spend some time discussing with your Scouts the various programs they are interested in. This would be an appropriate time to choose troop and patrol activities such as canoe trips, trail rides, or tubing. This way, you can avoid possible scheduling conflicts later in the planning process.
3. Determine each individual Scout's needs. This program guide will help. Pay special attention to the difficulty level of badges and activities. A large portion of your time at camp should be allotted for individual Scout advancement and activity, but do not forget troop activities.
4. Ask Scouts what they want from camp. Discuss with each Scout one-on-one regarding their schedule. Then use the registration worksheets provided in this guide to help them to select the merit badges and activities they are interested in. Make sure they have not overbooked themselves. Note that when Scouts miss a merit badge class, they will most likely receive a partial.
5. Review each Scout's schedule. Ensure that there are no time conflicts.
6. Finally, use the online registration system on the Chicago Area Council website to sign-up your Scouts.

Online Program Sign-up

Introduction

Planning out your Troop's program for summer camp is an important part of getting ready for summer camp. The next step is communicating those choices to the staff at Owasippe. As camp staff, they are committed to providing a top-notch program for your Scouts. Knowing which and how many Scouts are coming will greatly help them prepare. There are also programs in the High Adventure and Outpost section that have limited space and extra cost. It is important that we manage our sign-ups for these programs ahead of time.

With this in mind we at have implemented an online program sign-up. This process will help you, the unit leader, to organize the activities that your Scouts will be participating in over the course of the week, as well as help the staff prepare. This section will explain how to use the online sign-up and what resources are available to you. You will need access to a computer with an internet connection.

Resources

This manual includes a number of resources to help you plan your program and use the online sign-up feature. Below is a list of what they are and where they can be found.

1. **Scout Program Worksheet.** This worksheet, located in the appendix, is a tool you can use to have your Scouts put down on paper what they want to do at camp. This has spots for them to write the class name and numbers in and organize preference. It is designed to help make the process of signing up online easier. The worksheet can be easily removed and copied for distribution.
2. **Master Schedule.** This is located in this section of the leader manual and a copy is provided in the appendix to easily remove and copy as a hand-out.
3. **Program Section.** This section of the Manual has every program offered at Owasippe organized to make it easy for online sign-up. This will be your most useful resource in the planning and

sign-up process. All the class names and terminology in this section will also match the terminology used online.

A separate online sign-up resource sheet, including screen shots, will be made available on the council website.

High Adventure and Outpost Programs

It is important to note that High Adventure programs will be utilizing this process for early sign-up. In the past we have requested units to send in a worksheet with their requests. The online sign-up process will replace that system. However, it will be possible to supplement High Adventure and Outpost sign-ups at check-in and throughout the week. That said, many popular programs will fill up quickly and not participating in the online sign-up may deny an opportunity to your Scouts.

Individuals

The online sign-up process will require you to include the individual names of the Scouts participating. As a result, you will end up with an individual schedule for each Scout in your unit. You will have the opportunity to update and change your sign-ups throughout the time leading up to camp.

Availability

Online sign-up will be available starting March 1st and will end two weeks prior to your arrival at camp. All sign-ups and any subsequent changes must happen during this period. You will not be able to make any changes online after the deadline. That said, we will be flexible in accommodating any changes that may happen after that point upon your arrival at camp.

Payments

Some programs require an additional fee. We will not be collecting any money for these programs using the online system. All payments for extra programs will be made at camp, and will be a part of the settlement process described earlier in this manual.

Pathfinder (First Year Camper Program)

Beginner

Pathfinder (WL – MTWR 1&2)

Monday through Thursday 9am – 12pm

Prerequisites: None

Additional Cost: None

Location:

Our *Pathfinder* program allows first year campers to complete merit badges, visit outposts, and take part in troop activities, and better experience Owasippe for themselves all while participating in a structured, engaging, and interactive outdoor education experience. The purpose of, *Pathfinder*, is to provide Scouts visiting Owasippe for the first time with an opportunity to complete many of the outdoor skill based requirements for the ranks of Tenderfoot, Second Class, and First Class.

Pathfinder is facilitated by the best counselors and staff Owasippe Scout Reservation has to offer. In addition to adult leadership provided by a Scout's troop, *Pathfinder* will be supervised, implemented, and facilitated by our experienced and knowledgeable Commissioner staff, as well as select key leadership of each program area.

In order to complete these requirements, each Scout enrolled in the program will spend time in the Scoutcraft, Nature, and Aquatics, respectively. Additionally, each Scout is also encouraged to enroll in Merit Badge classes to help supplement their skills and to complete additional rank requirements not covered within *Pathfinder* instructional times. Recommended merit badges may include: Leatherwork, Mammal Study, Cooking, and Basketry.

Notes: *Pathfinder* is not simply aimed towards rank advancement, but also to encourage fellowship and fun at Owasippe. Each Scout will participate in patrol building games, receive a patch, participate in camp-wide flag raising ceremonies, and take part in a graduation ceremony honoring them amongst the entire camp. *Pathfinder* is a program designed as a supplement to our existing program structure.

Camp Wide Programs: Camp Wolverine

Camp Director's Award of Merit

As we all know, every good Scout follows the 12 points of the Scout Law every day, but there are always a few Scouts who go above and beyond the call of duty. It is these above and beyond kind of Scouts that we aim to recognize for showing what a Scout can and should be! So, if during the week you see one of your Scouts truly excelling at any one of the 12 points of the Scout Law, we ask that you write a nomination for that Scout to be recognized for the Camp Directors Award of Merit. At the end of the week, 12 Scouts will be given this award, each exemplifying a different point of the Scout Law.

Back then, with a paddle and canoe, the sights, sounds, and smells of nature were there to see, and you could explore to your heart's content. If you'd like to feel that kind of freedom again, and get out of the designated boating area, then come to Canoeing Outpost. Based on the shores of beautiful Lake Wolverine, canoeing outpost offers participants a guided tour around hot spots along the lake. This activity replaces the previous afternoon canoe trips due to low water levels on the river and is intended to allow participants optimum canoeing fun.

Order of the Arrow Program

The Order of the Arrow has been an integral part of Owasippe summer camp program for over 90 years. This summer, Owasippe Lodge #7 will conduct a number of events every week, including Ordeal Inductions, Brotherhood Ceremonies, and an Ice Cream Social at each section camp.

Call-Out Ceremonies

Call-Out Ceremonies will be conducted each week during each section camp's Opening Camp Fire on Sunday evening. Only those candidates whose name appears on the official Owasippe Lodge candidate list or on the official unit's copy of the Unit Election Report can be called out. No exceptions to this rule can be made. Unit Leader's should verify election results prior to camp and notify the Section Camp OA Coordinator on Sunday's leader meeting of the Scouts to be called out. Order of the Arrow elections must be conducted at least two weeks prior to arrival at camp.

Candidates from out-of-council troops attending camp will not be called out unless prior written permission, including the unit number and names of the candidates, is obtained from the home council or lodge. Please bring a copy of this letter with you to camp and turn it in at the Sunday leader's meeting. The Ordeal Induction itself must be done through your local lodge.

Ice Cream Social

All Arrowmen (any lodge), as well as newly called out Ordeal candidates, are welcome and encouraged to attend the Ice Cream Social. The focus of the social is to promote Brotherhood, so come on down and get ready to have a good time. Additionally, eligible Ordeal Candidates may be screened for the Brotherhood at this event. See the evening program section of this manual for more information on time and location.

Registration

Registration for OA induction events must be done on the Owasippe Lodge 2012 summer inductions registration form. Induction fees must be paid prior to induction to the lodge. Unit leaders are responsible for notifying the OA section camp coordinator with a list of Scouts who will complete their Ordeal or Brotherhood at camp by the Wednesday afternoon leaders meeting. Alternatively, a unit may mail pre-registration to the council office or sign up online using the online program sign up process at least two weeks prior to arrival at camp.

Ordeal Induction

Ordeal Induction

Thursday, 8:30 pm – Friday, 7 pm

Ordeal Inductions will take place each week beginning on Thursday evening, continuing through the day on Friday, and culminating in the candidates first OA Banquet early Friday evening. You must complete the summer induction form prior to participating.

Additional Cost: \$20

Brotherhood Induction

Brotherhood Induction

Friday, 3pm – 7 pm

Those Ordeal members wishing to seal their membership in the order will have an opportunity to do so at the Brotherhood Ceremonies taking place each Friday afternoon. An Ordeal member must have completed 10 months of service to his unit since the Ordeal and must meet the five challenges of Brotherhood membership. Interested candidates can be screened at the OA ice cream social on Monday if they have not already been screened at their local chapter. Contact the Reservation OA Coordinator or your Section Camp OA Coordinator for more information.

Prerequisites: Ordeal member of the Owasippe Lodge in good standing with 10 months of service and has completed a Brotherhood screening.

Annual Health and Medical Record

In order to provide better care for its members and to assist them in better understanding their own physical capabilities, the Boy Scouts of America recommends that everyone who participates in a Scouting event have an annual medical evaluation by a certified and licensed health-care provider—a physician (MD or DO), nurse practitioner, or physician assistant. Providing your medical information on this four-part form will help ensure you meet the minimum standards for participation in various activities. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and B are to be completed at least annually by participants in all Scouting events. This health history, parental/guardian informed consent and hold harmless/release agreement, and talent release statement is to be completed by the participant and parents/guardians.

Part C is the physical exam that is required for participants in any event that exceeds 72 consecutive hours, for all high-adventure base participants, or when the nature of the activity is strenuous and demanding. Service projects or work weekends may fit this description. Part C is to be completed and signed by a certified and licensed health-care provider—physician (MD or DO), nurse practitioner, or physician assistant. It is important to note that the height/weight limits must be strictly adhered to when the event will take the unit more than 30 minutes away from an emergency vehicle, accessible roadway, or when the program requires it, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

The annual health and medical record is a national BSA form. A copy of this form is in the appendix and can be downloaded from the council website. www.chicagobsa.org

- **Philmont Scout Ranch.** Participants and guests for Philmont activities that are conducted with limited access to the backcountry, including most Philmont Training Center conferences and family programs, will not require completion of Part C. However, participants should review Part D to understand potential risks inherent at 6,700 feet in elevation in a dry Southwest environment. Please review specific registration information for the activity or event.
- **Northern Tier National High Adventure Base.**
- **Florida National High Adventure Sea Base.** The PADI medical form is also required if scuba diving at this base.

Risk Factors

Based on the vast experience of the medical community, the BSA has identified the following risk factors that may limit your participation in various outdoor adventures.

- Excessive body weight
- Heart disease
- Hypertension (high blood pressure)
- Diabetes
- Seizures
- Lack of appropriate immunizations
- Asthma
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological and emotional difficulties

For more information on medical risk factors, visit Scouting Safely on www.scouting.org.

Prescriptions

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed.
